Student-Centered Problem Statements

1. *“As a student, I need a way to track my progress through a course because I often forget where I left off and lose motivation without visible milestones.”*
2. *“As a learner, I need a way to preview course content before enrolling so I can ensure it matches my learning goals and is worth my time or money.”*
3. *“As a beginner, I need a platform that guides me through what to learn next because I feel overwhelmed by the number of available courses.”*
4. *“As a paying user, I need to receive proof of course completion because I want to showcase my skills on LinkedIn or in job applications.”*

Teacher-Centered Problem Statements

1. *“As a course creator, I need a simple way to structure my content into sections and quizzes because it helps students engage and understand better.”*
2. *“As an educator, I need insights into how students are progressing in my course so I can improve the material or offer help where needed.”*
3. *“As an instructor, I need the ability to update or remove courses easily because information in tech and education evolves quickly.”*

Admin-Centered Problem Statements

1. *“As an admin, I need to monitor student and teacher activity across the platform because I am responsible for ensuring quality and compliance.”*

2. ***“As a platform manager, I need to identify the most engaging courses and instructors so I can promote them to improve user satisfaction.”***
3. ***“As a support admin, I need a way to manage user reports or content flags because maintaining platform integrity is critical.”***
